Schedule

Camp ends the evening of Friday, July 28. Closing ceremony begins at 7pm and should last approximately an hour.

Nutrition and Care

The program includes a careful balance of outdoor activities, leisure time, and learning more about Christ-Centered living. It is natural that some campers become homesick. Our experienced staff will console your child and contact you if necessary (we discourage campers calling home, which often makes the matter worse). We take care in protecting the health of your child. Meals are well-balanced and nutritious. A nurse or health officer is on hand at all times. In case of emergency, every effort will be made to contact you. If needed, campers will be taken to Pennock Hospital in Hastings, just three miles away.

Directions

The campground is located at 2349 Campground Road, Hastings MI 49058. This is just south of Hastings on M-37.
