- Fishing (catch and release, only do if you know something about fishing. Note, we have limited poles. Stop at kitchen for \_\_\_\_\_ for bait) **NEED TO ORDER**
- Hang out by the creek/gazebo

### Other Activities

Practice skit. If you have a skit that your group wants to do at the bonfire, practice it now. If you would like some suggestions for a skit, see PJ, Pastor Tony, or Chamus.

## Counselor Choices Schedule (pick one from each day)

Choose one activity each day. You have calm and active choices each day, plus practicing for the skit. If you have something different you have already prepared, you are not tied 100% to these choices. However, from the list above, please do not choose an activity that isn’t on your schedule. Also remember that you may have some time during shower/snack time as well.
